Sing, Dance & Act with Encore Creativity!

ENCORE Creativity, the nation's largest choral program for older adults, is proud to announce new theatre and dance programs coming to Asbury~Solomons Island in the weeks ahead. Get in on the fun!

ENCORE CHORALE Come join more than 40 Encore Chorale singers at our Southern Maryland Encore Chorale. Singers will rehearse Gilbert and Sullivan, spirituals and Civil War repertoire under excellent conductor, Krystal Rickard McCoy.

ENCORE THEATRE "Anyone Can Act" is for those who have always thought they had a flair for the dramatic! In a playful, non-competitive environment, students will engage in exploring concepts such as focus, trust and vocal production.

"ImprovAble" is an improvisation class in which you'll learn techniques and games used in such famous places as Second City and "Whose Line is it Anyway?". Create characters and situations that are believable and hilarious. The "always on" Michelle Freire will teach theatre classes.

ENCORE DANCE is for those that took dance as a child, danced their entire life or those that have never danced a step. Come join other older adults in this creative, fun and dynamic dance class with Krystal McCoy.
